Our yesterdays reflect the sunshine
that we need in order to live for
our tomorrows.

To Marc-

*No man's a jester playing Shakespeare 'round your throne room floor
while the juggler's act is danced upon the crown you once wore.
And sooner or later every kingdom must end.*

THE FACULTY

*No man can reveal to you aught
but that which already lies half
asleep in the dawning of your knowledge.*

*The teacher who walks in the shadow of
the temple, among his followers, gives
not of his wisdom but rather of his
faith and lovingness.*

*If he is indeed wise he does not bid
you enter the house of his wisdom, but
rather leads you to the threshold of
your own mind.*

summertime is fading
it's leaving me behind
winter is waiting
till once again the time
when the days of the sun
draw us near from afar...
and we're one.
all the memories are living
in my mind
days we had together
days when we had time-
when the days of the sun
draw us near from afar...
and we're one.

IN MY LIFE

There are places I'll remember
 all my life, though some have changed
 some forever, not for better,
 some have gone and some remain.
 All these places had their moments,
 with lovers and friends I still can recall,
 some are dead and some are living,
 in my life I've loved them all.
 But of all these friends and lovers,
 there is no one compared with you,
 and these mem'ries lose their meaning
 when I think of love as something new.
 Though I know I'll never lose affection
 for people and things that went before,
 I know I'll often stop and think about them,
 in my life I'll love you more.

*There's a place in the world
for the angry young man,
with his working class ties
and his radical plans.
He refuses to lend,
he refuses to fell
and he's always at home
with his back to the wall
and he's proud of his scars
and the battles he's lost
and he struggles and bleeds
as he hangs on his cross
and he likes to be known as
The Angry Young Man.*

Bruce,

I know we weren't
super close friends, but P.A.
people have suffered together!
(Ferrara, Fader, Orzech, Walker etc.)
I wish you all the best for a happy
and successful future.

Kevin

Bruce,
As Shakespeare once said, -
To be, or not to be,
is the question, with the noble to
suffer the slings + arrows of
outrageous fortune - But
this makes no sense and
neither do I.

Russell A. Hunt

To Bruce,

Well Bruce, we finally made it, (that ~~hill~~ From Queens Plaza almost hindered us from graduating) But like I'm trying to tell you God was with us. Our friendship has been like brothers. We've done everything in class that we weren't suppose to do. We've had good times and bad times. But that's all in being friends. We've got lots of time, but no more time in the same schools. I'll be seeing you around and have a good summer.

Your Friend,

Phillip
